

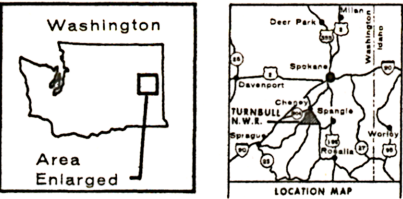

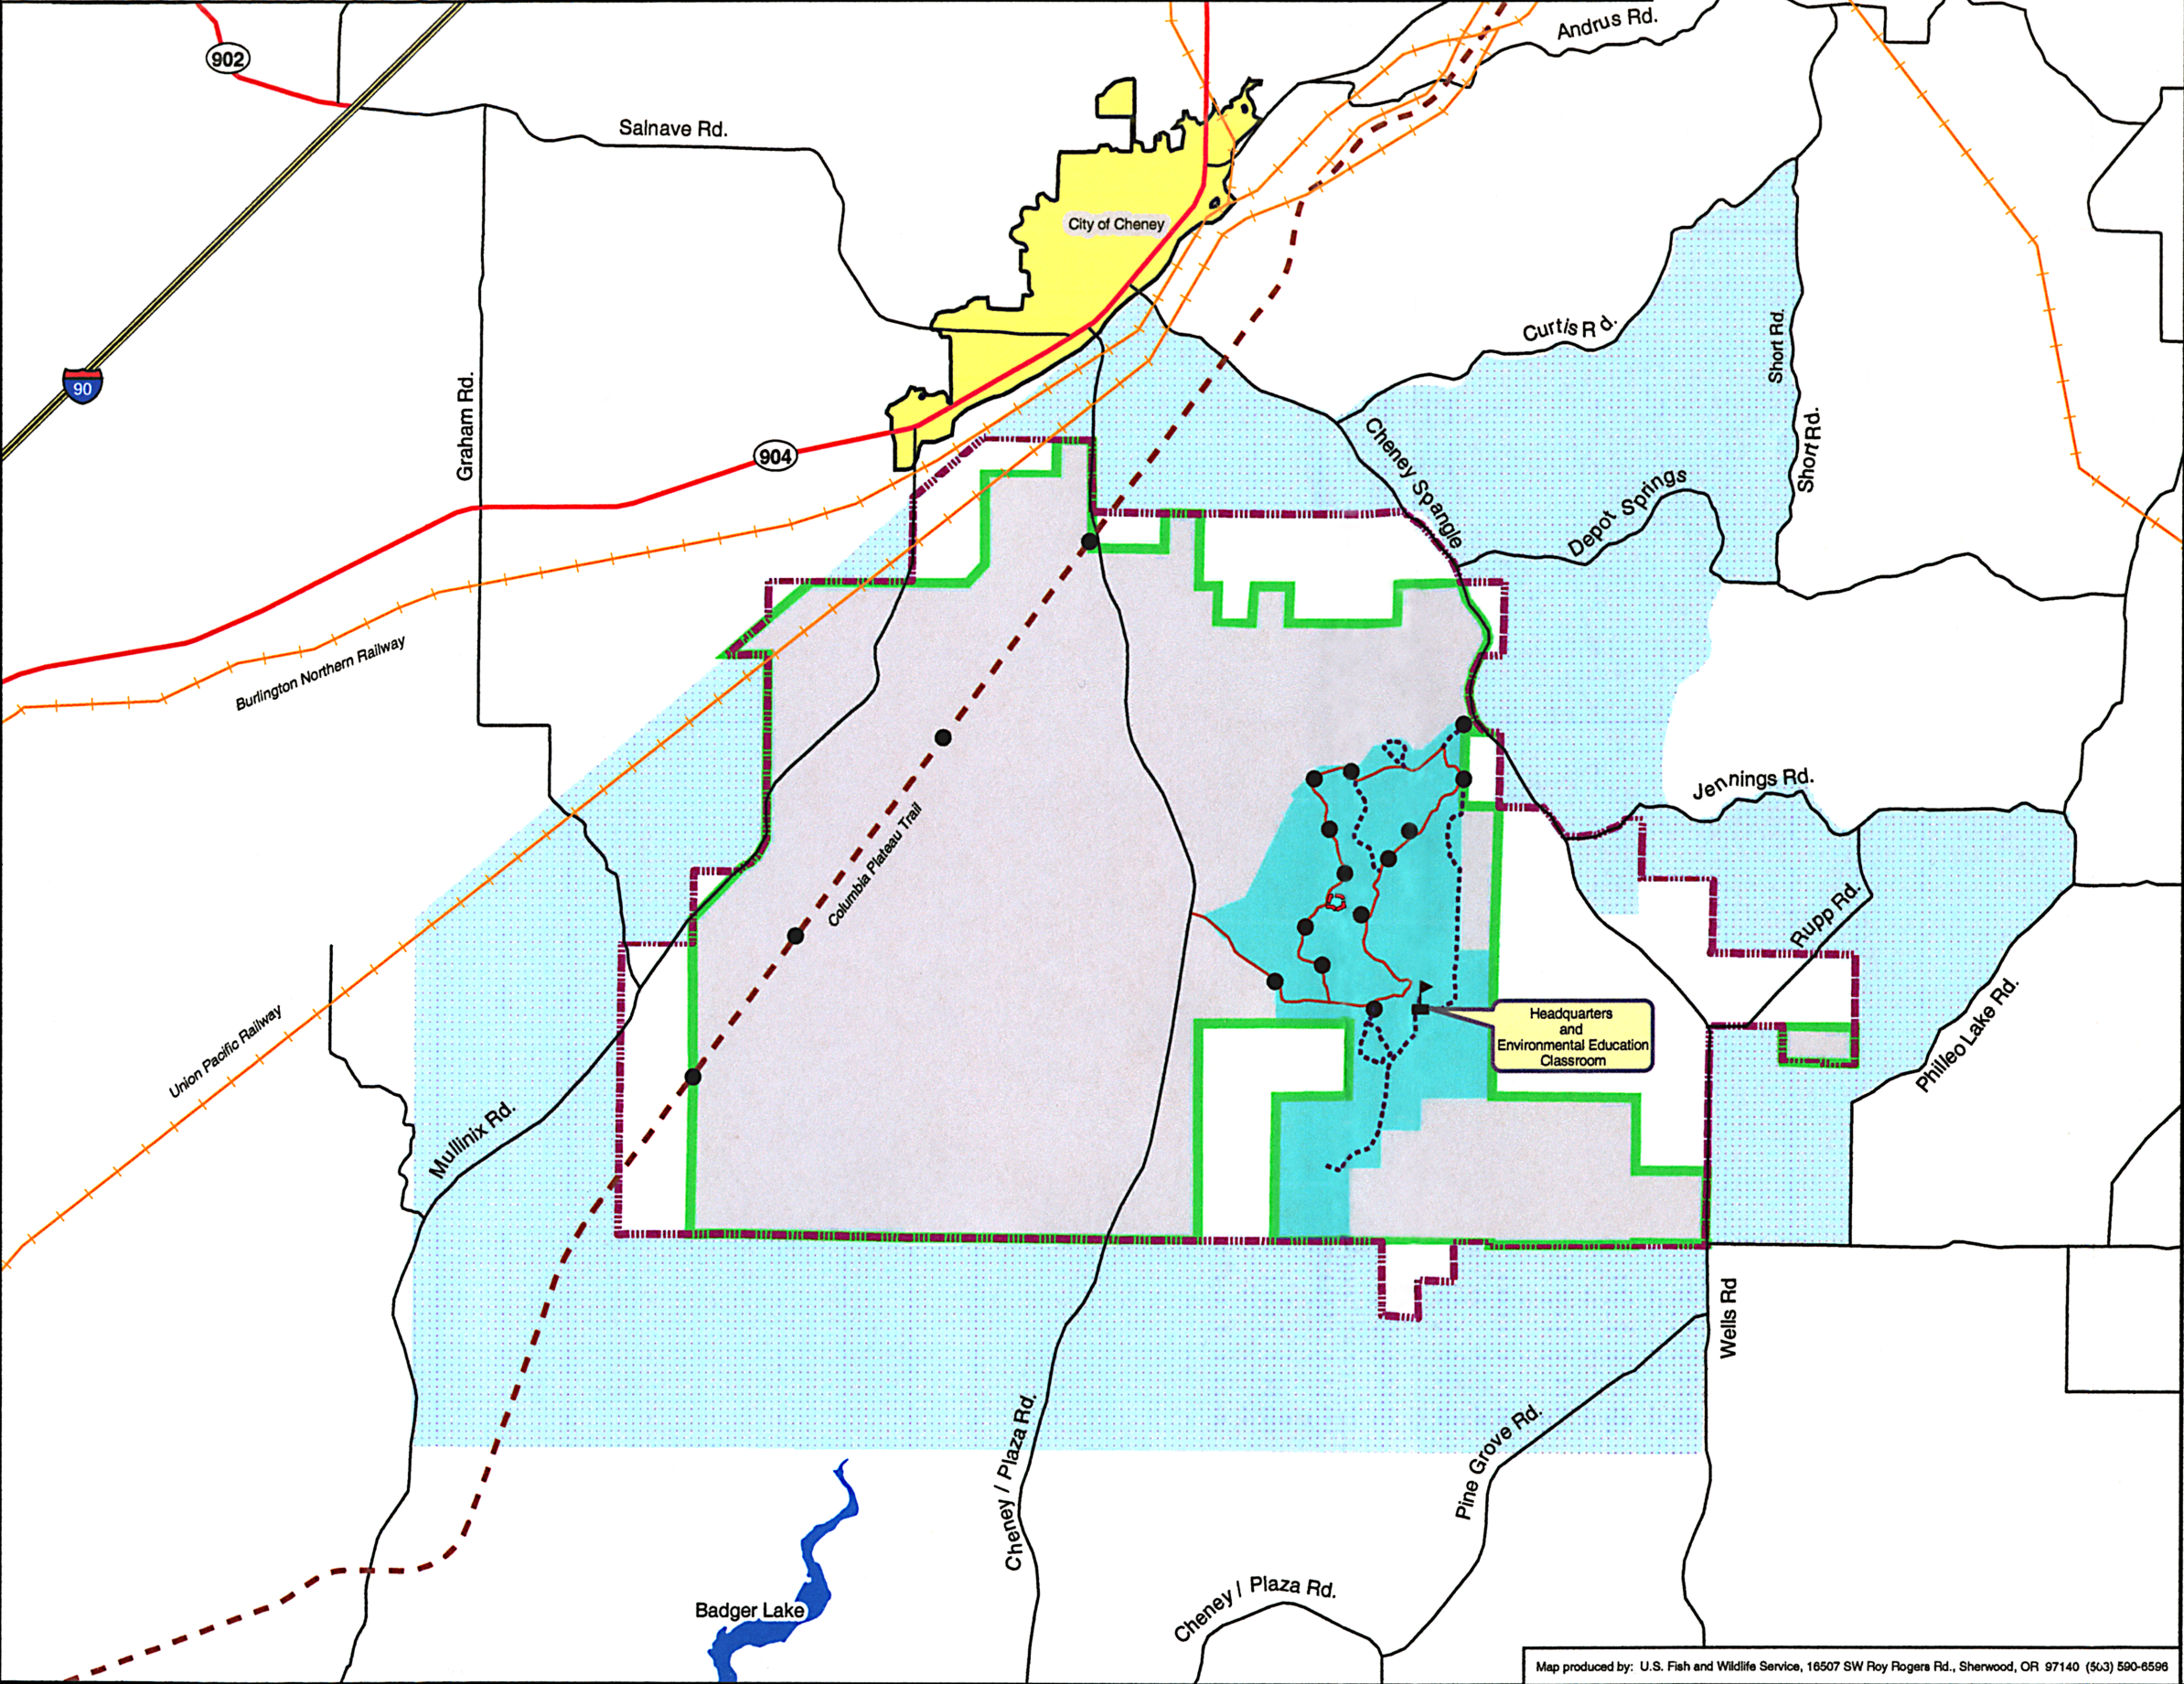

Map 3. Alternative 1 (No Action). Turnbull National Wildlife Refuge Draft CCP / EA, 2005

LEGEND

Existing Land Conservation Features

*** Stewardship Area ***

*** Stewardship Area: An informally designated conservation zone surrounding the Refuge. Within this area, the Service actively works with partners and neighbors for voluntary, cooperative activities that protect habitat and water resources. Key tools include but are not limited to: conservation easements, use of conservation grants and/or enrollment in various habitat reserve programs, well capping, and technical assistance programs.

No acquisition outside the Approved Refuge Boundary occurs under this Alternative.
